

Accessibility Statement

TNI[®] medical AG strives to make its website accessible in accordance with the Bavarian E-Government Ordinance (BayEGovV).

This accessibility statement applies to this website.

Current Compliance Status

This website is partially compliant with the German Federal Disability Equality Act (BGG) and the Accessible Information Technology Ordinance (BITV).

Learn more about BGG: <https://www.gesetze-im-internet.de/bgg/>(german)

Learn more about BITV: <https://www.bitvtest.de/>(german)

This accessibility statement applies only to the website at tni-medical.de, not to linked external services or content.

Implementation

The accessibility assessment was conducted via a BITV self-evaluation.

Learn more here: https://www.bitvtest.de/bitv_test/einfuehrung/selbstbewertung.html(german)

Additionally, on every page (bottom right on larger devices, top right on smaller devices), you will find an accessibility button with a dedicated icon.

This button includes functions to:

- Reset all settings
- Enlarge or reduce text
- Increase cursor size
- Invert colors
- Adjust contrast and brightness
- Apply grayscale filters

Non-Accessible Content:

- On the contact page and the softFlow trial order page, spam-protection graphics lack alt-text due to technical limitations.
- The responsive text alternative for the interactive location map is provided below the map.
- Text in the “Vision/Mission” graphic on the “Company” > “About Us” page (including the English version) is embedded as alt-text.
- Text in the “The Better Flow – The Better Outcome” graphic on the “Masimo softFlow” > “General” page (including the English version) is embedded as alt-text.
- Input validation in the contact form occurs during data entry; no summary page is shown before submission.

Feedback

TNI® medical AG has implemented extensive accessibility measures for its online content. However, this is an ongoing process.

You may still encounter non-accessible content or areas for improvement.

For this purpose you can use the following form.

The form can only be used at the following web address:

<https://www.tni-medical.de/en/accessibility-statement/>

... or by email to info.TNI@masimo.com
